Gift Sphelele Seboge

Aspiring Software Developer

giftseboge2004@gmail.com +27 64 061 9249 Johannesburg, South Africa

Professional Summary

Motivated Computer Science student with a strong interest in software development and backend engineering, particularly using Java. Experienced in developing database-driven applications using Java, SQL, HTML, CSS, and JavaScript, with exposure to technologies such as JPA, Servlets, JSP, and RESTful APIs. Familiar with software development practices including object-oriented programming, database design, Git, and collaborative project development. Eager to apply my technical knowledge in a professional environment, gain practical industry experience, and contribute to meaningful software solutions while continuing to develop my skills.
